

wealthier by having this kind of magic that will develop with the magic of compound interest is one way to increase retirement benefits and save the system.

Some people have said it is too risky. I show this chart just because this represents the up and down of a 30-year average. Over a 30-year average for the last hundred years, the average income is 6.7 percent.

TRIBUTE TO THE HONORABLE THOMAS EWING AND THE HONORABLE JOHN PORTER, MEMBERS OF CONGRESS

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Illinois (Mr. DAVIS) is recognized for 5 minutes.

Mr. DAVIS of Illinois. Mr. Speaker, I rise to pay tribute to two retiring Members of the Illinois delegation who have faithfully and effectively served their constituents and the citizens of this Nation.

First, the gentleman from Illinois (Mr. EWING), who spent 17 years in the Illinois General Assembly and rose to the position of assistant Republican leader and deputy minority leader before he came to Congress. In Congress, TOM EWING has focused much of his attention on issues relating to agriculture, crime prevention, education, economic growth and health care.

It has been a pleasure to work with him, and I wish him well as he returns to the very pleasant, peaceful, and friendly community in and around Pontiac, Illinois.

Now, Mr. Speaker, I turn my attention to the gentleman from Illinois (Mr. PORTER), who is completing his 11th term as a Member and is the very astute, sensitive, and effective chairman of the Subcommittee on Labor, Health and Human Services and Education of the Committee on Appropriations. He is founder and cochairman of the Congressional Human Rights Caucus. He has been cited many times by various budget watchdog groups and has stood in the vanguard on environmental issues.

JOHN PORTER has been a strong supporter of biomedical research, a friend of community health centers, and has stood tall against the continuous spread of HIV/AIDS. The Core Center of Chicago stands today as a model to fight these dreaded diseases and is indeed a testament to the support which JOHN PORTER gave to its efforts.

One of the things that I have always liked best about JOHN PORTER is his ability to convey optimism even when the cupboard is practically bare. He is always eager to look, to see, to try and determine and figure out whether or not he can find greatly needed resources for these programs.

□ 1900

I thank him for his sensitivity to the issues facing America and especially my district and wish him well in retirement.

Mr. Speaker, I also take this opportunity to pay tribute to the Honorable Donald Lemm, Mayor of Bellwood, Illinois, on the occasion of his pending retirement.

Mayor Lemm has lived in Bellwood all of his life, he and his late wife and four children and five grandchildren. He and his current wife, Joy, live at 517 51st Avenue. Mayor Lemm is a graduate of DePaul University with a degree in business administration and accounting. He is a member of the VFW and served in Korea with the 71st Station Hospital as sergeant major.

Prior to becoming mayor, Donald Lemm was a CTA executive for 40 years, serving in the capacities of training specialist, methods analyst, superintendent of bus and rail transportation, and retired as manager of insurance and pensions. He also served as administrative assistant to the chairman of the CTA Board and was retained by the Chicago Transit Authority as a consultant for 3 years after retirement.

Mayor Lemm is active in St. Simeon parish, has served several times as president of the Holy Name Society, is a member of the St. Simeon Contemporary Choir and St. Simeon Traveling Troop, is a lector and minister of the cup, and has served as a member of the parish financial planning commission.

Prior to becoming mayor, Donald Lemm served for 16 years as village clerk. As mayor, he has led the Village of Bellwood into the new millennium, opening up opportunity, creating increased property values, and serving as the role model.

Mr. Lemm has demonstrated what it really means to be a true public servant, always putting the interests of his community and his people above any personal interests.

And so, I am pleased to congratulate him on an excellent public career and wish him and his family well in retirement.

EDUCATION AND CONDITION OF SCHOOLS NATIONWIDE

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from New York (Mr. HINCHEY) is recognized for 5 minutes.

Mr. HINCHEY. Mr. Speaker, I want to take just a few minutes to bring to the attention of the Members of the House some information with regard to education and the condition of schools around the country, both in the State of New York and nationwide.

In New York, for example, there are a total number of 4,172 schools currently operating in the State. The total State and local district school construction spending in the most recent year for which figures are available was \$1.6 billion.
